

Integrated Cyber – Physical Solutions & Technologies

Presentation for Critical Infrastructure Conference

Zahi Levi, Director BD Cyber Defense solutions – Elbit C4I & Cyber

May 10th 2013

Connecting the Dots

General Background

Founded
in 1966

\$5.3Bn revenues,
\$13.7Bn order backlog*

Publicly traded
(NASDAQ, TASE)

Our mission is to empower our customers with the tools and technologies necessary to face the future with confidence

More than 18,000 employees
worldwide, ~ 50% are engineers

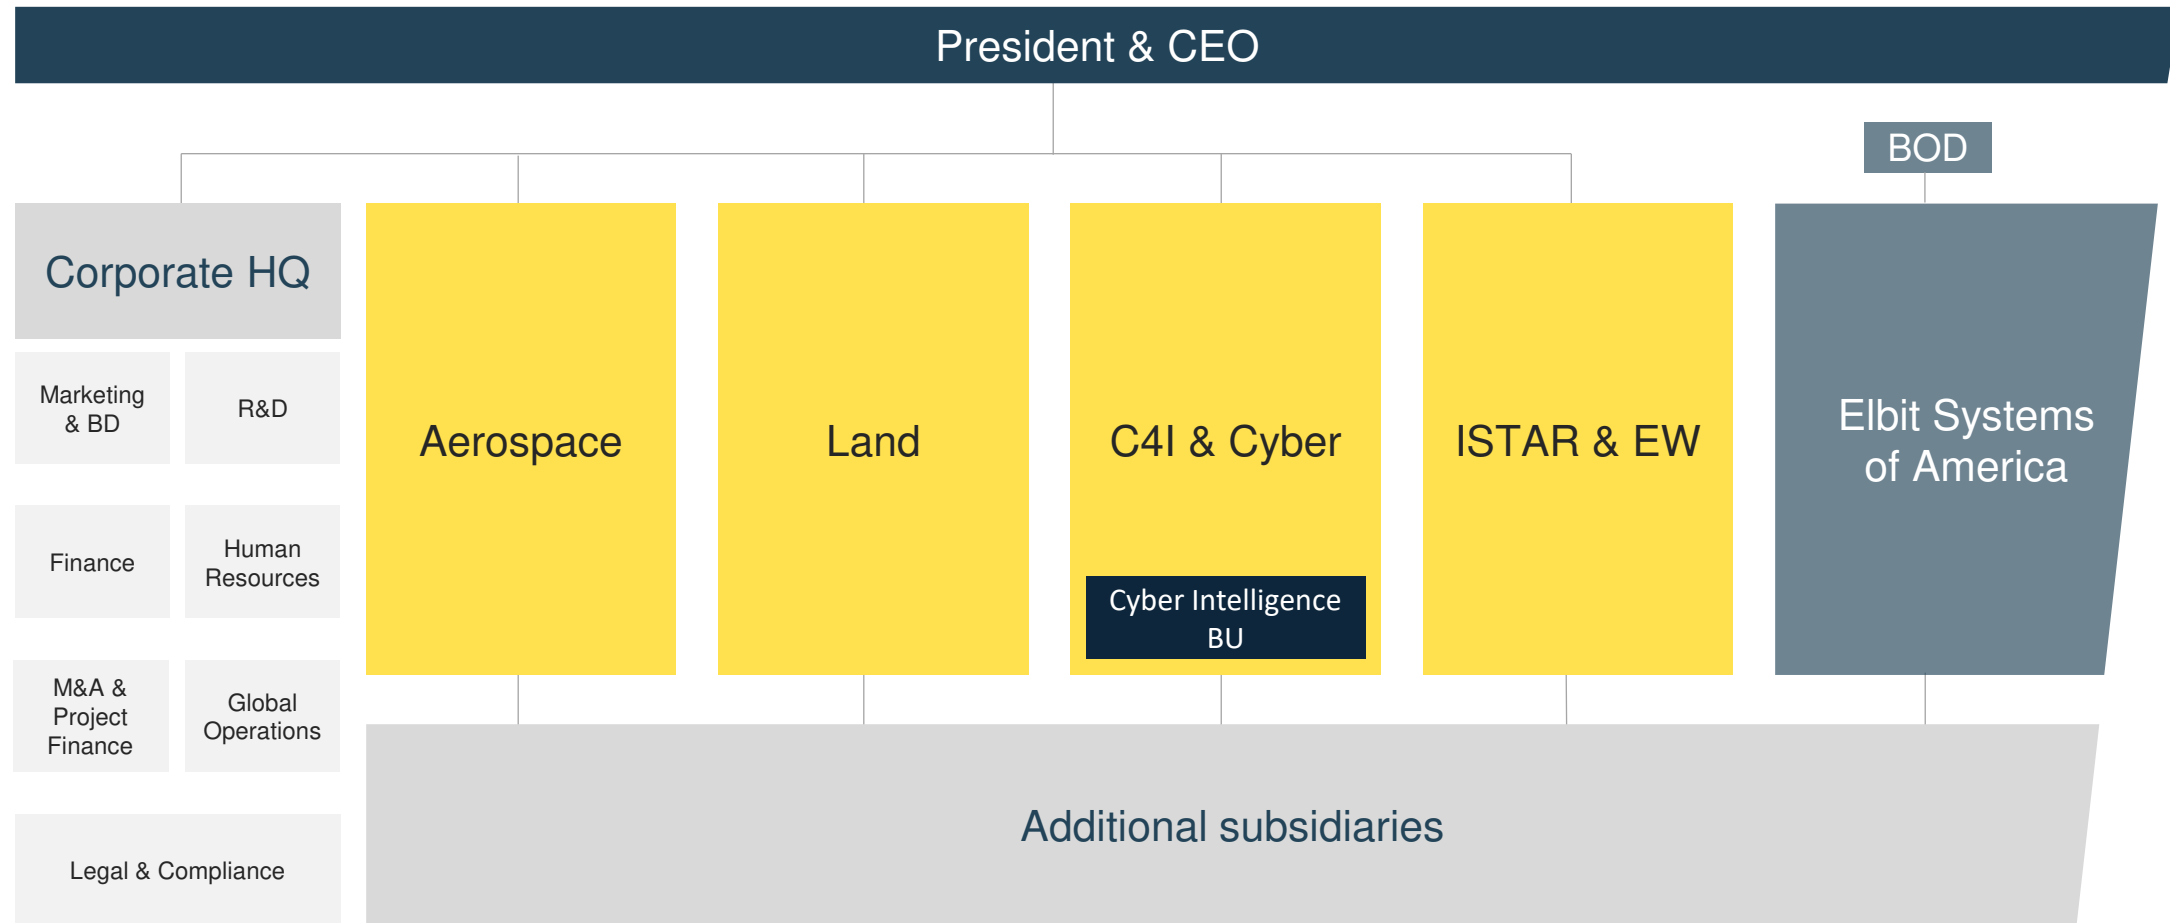

Headquarters in
Haifa, Israel

Subsidiaries in
numerous countries

*2021

Organizational Structure

ELBIT SYSTEMS

25+ YEARS OF CYBERSECURITY EXCELLENCE

Cyber security
expertise and own
IP development
with strong project
delivery

Leading cyber
provider, for
intelligence and
defense community

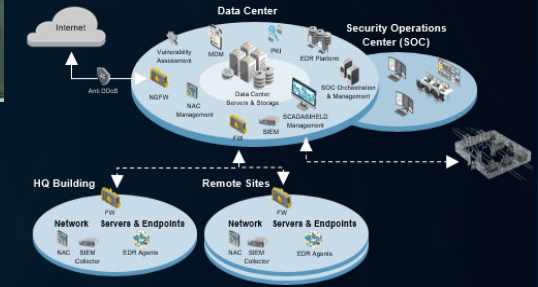

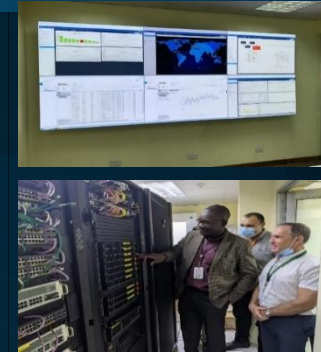

Protecting
Dozens of
Critical
infrastructure
and military
networks

Example Projects | Government & Critical Infrastructure

National Electricity Company Protection

Full Cyber Suite Across 40+ sites

- SOC & Datacenter infrastructure
- Full SOC implementation & integration
- IT networks and endpoints protection
- OT (SCADA) networks protection
- On-site support and maintenance

International Airport – Asia

International Airport Cyber Solution

- BCMS, Physical & Cyber security
- Close Cooperation with IAA
- Phase I – Risk & vulnerability assessment – completed
- Phase II – Security solution implementation

Ministry of Treasury – HQ complex

Comprehensive Cyber Solution for the New Ministry of Treasury HQ

- Established hierarchical security operations center (SOC)
- Five secured segmented networks
- Comprehensive solution – from design to execution
- Multiple cyber solutions – SIEM, NAC, Data diodes, EPP,

Critical Infrastructure Cyber Challenges

Environment -

- ▶ Aging OT and IT systems – outdated OS and apps, un-patchable
- ▶ Legacy security systems
- ▶ Unknown / unfamiliar network segments / elements

Manpower & Procedures -

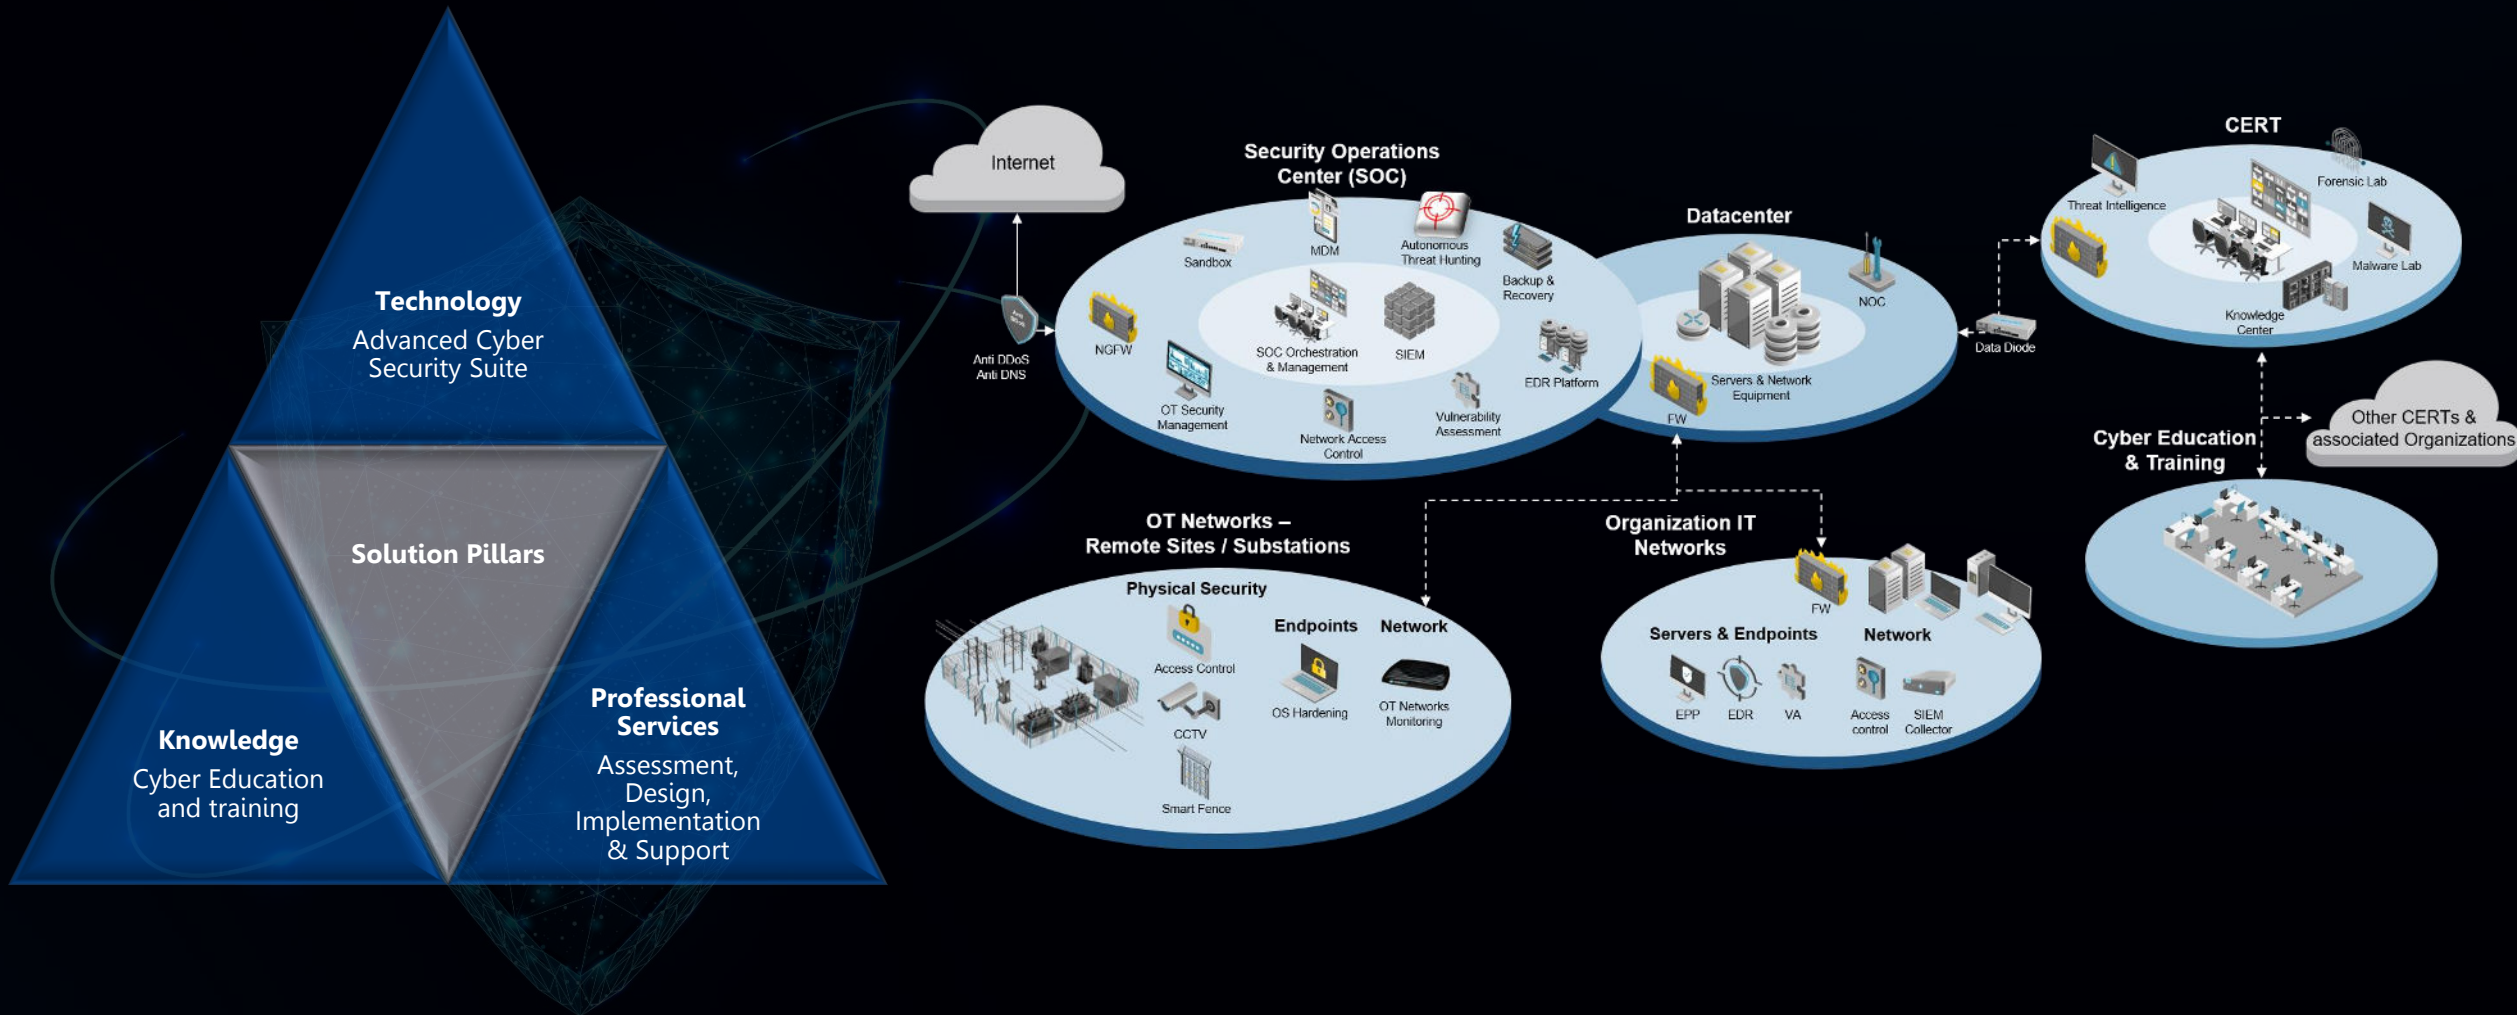

- ▶ Manpower cyber shortage
- ▶ Existing procedures, regulations & compliance requirements

Financial -

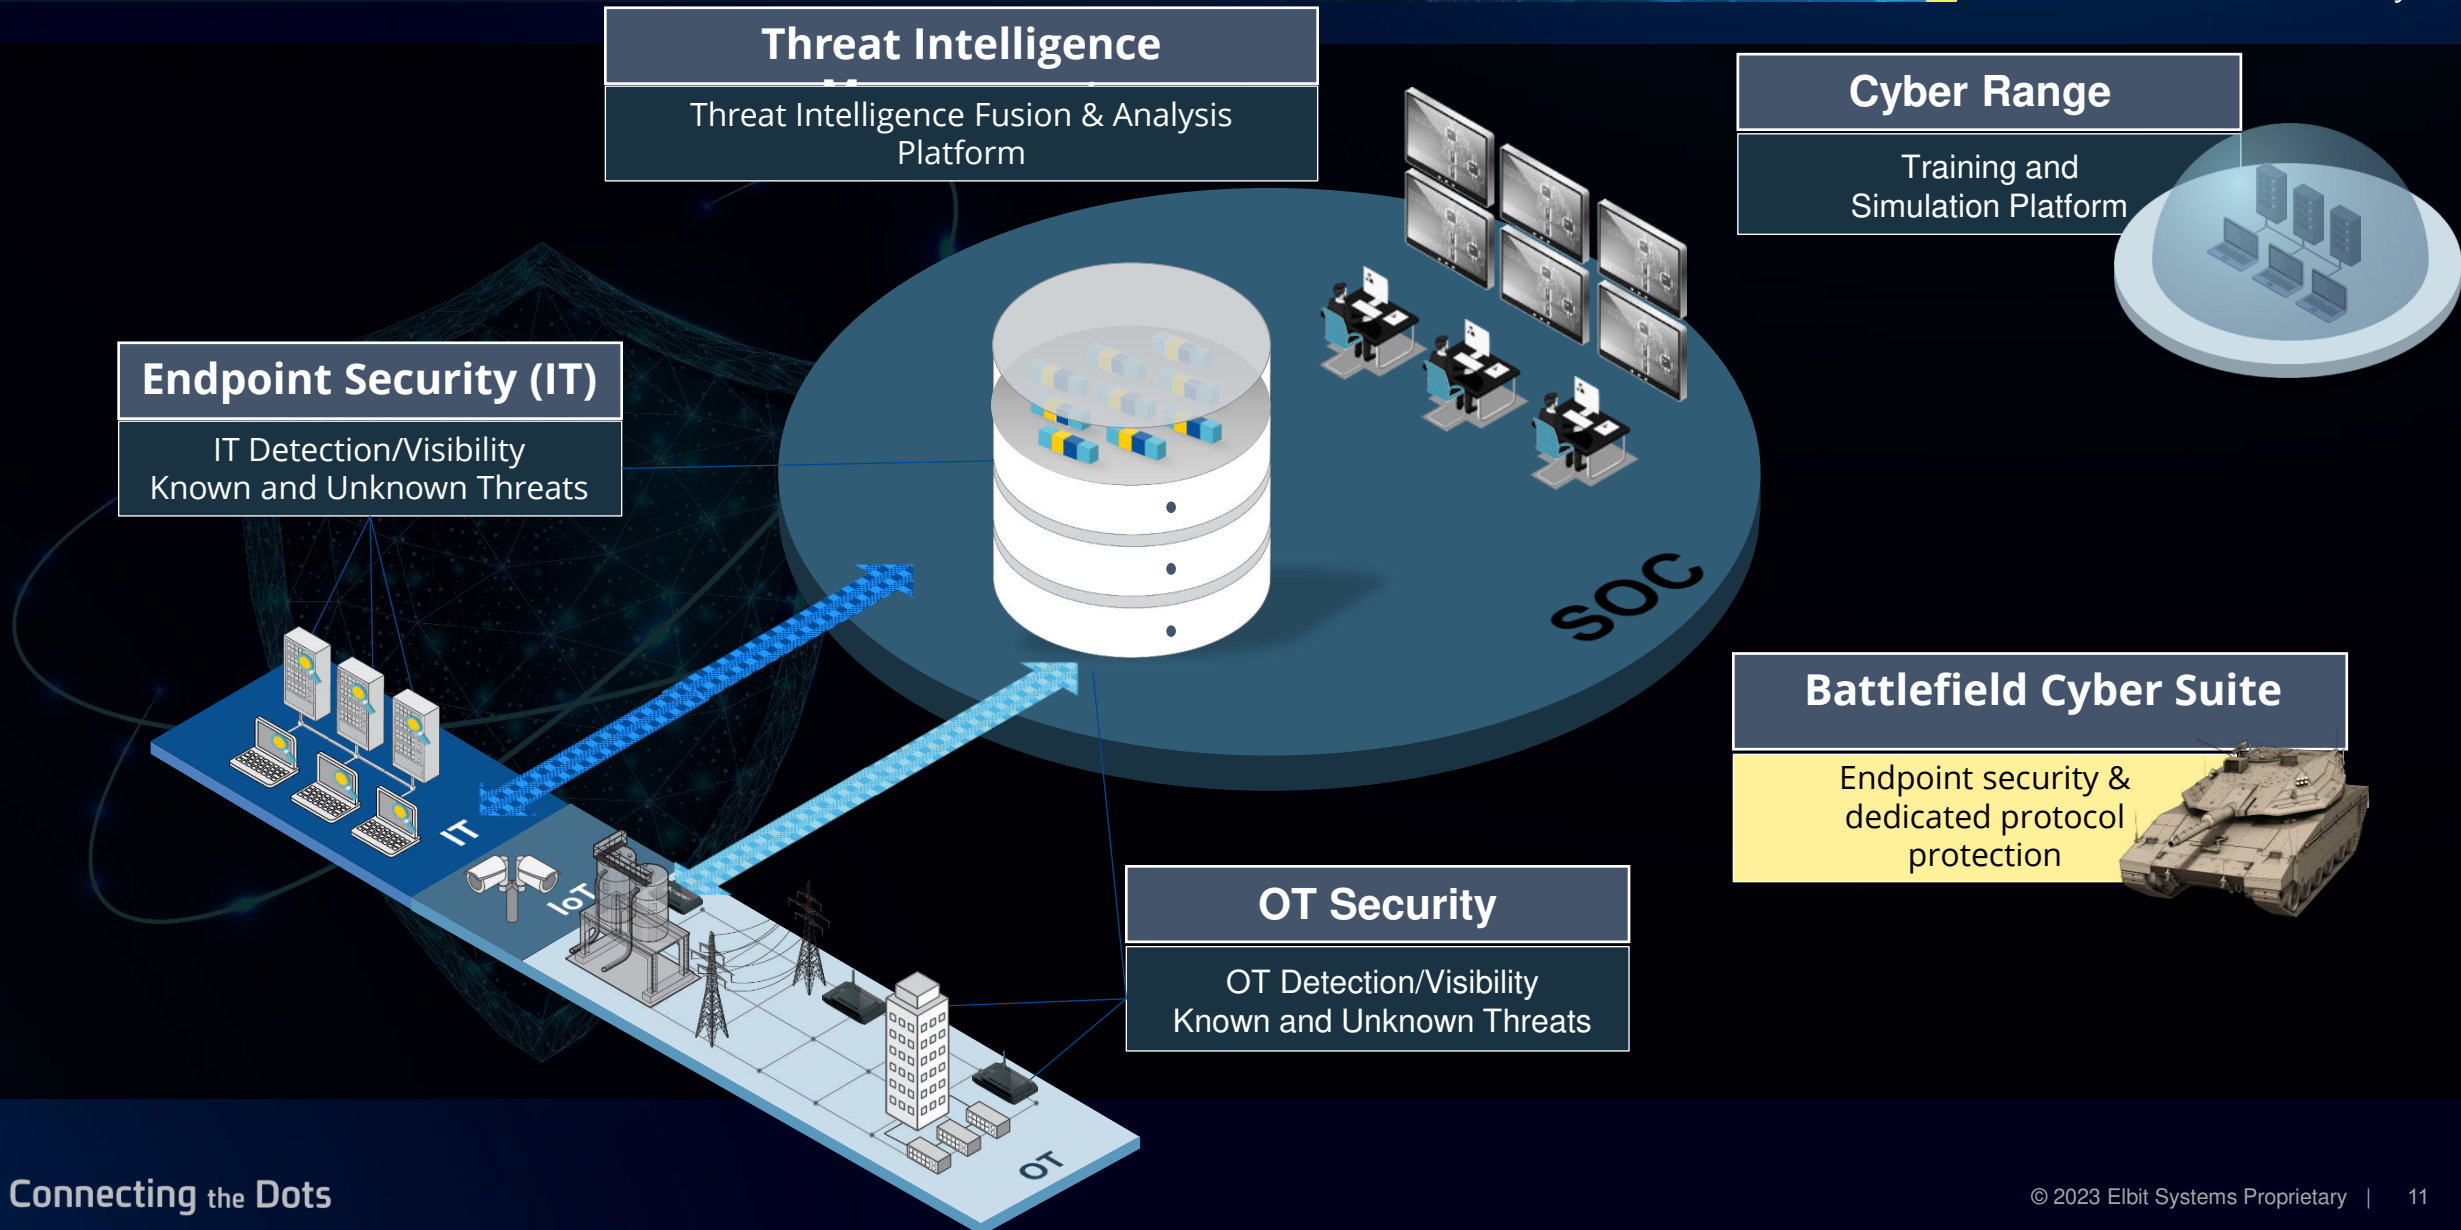

- ▶ Budget (Opex / Capex)

Comprehensive Cyber Solution

Comprehensive Family of Products for Critical Infrastructure

Thank You
